Mr. Jim Armstrong
Assistant Charleston County Administrator
4045 Bridge View Drive, Suite C-204
North Charleston, SC 29405

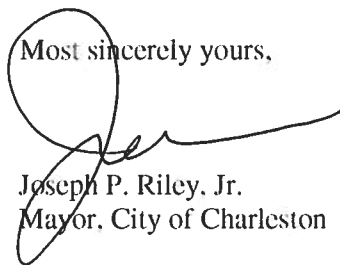

Dear Jim:

I wanted to thank you again for all the hard work you and your staff are doing on the Maybank Highway project on Johns Island.

I understand that your staff is currently assembling the environmental documents for that project and you need a letter stating the City's position on the alternatives that are being studied. Please let this letter serve as a record that the City of Charleston feels that Alternative A (as currently designed – the more traditional widening of Maybank) is not consistent with the Johns Island Community Plan. The City feels that the Alternative B (the "Pitchfork" alternative) is in line with the recommendations of that plan and is the improvement design we support.

If I can be of any further assistance on this project, please let me know.

Most sincerely yours,

Joseph P. Riley, Jr.
Mayor, City of Charleston
